Installation of cabling to new kitchen extension for new ring final circuit, 2 x cooker circuits, lighting circuit, including 8 external lights, 1 heat alarm and interlink cable for connection to other smoke alarms in property. Earth bonding cable to water pipes that will be at sink location.

Timescales for this work are determined as a minimum of 2 day's, due to circumstances of both the customer and Hiskins Electrical Services this work will be carried out on Monday 16/7/18 until completion should this quote be accepted and a 25% deposit is paid prior to work commencing.

The customer is to ensure the property is accessible from 8am on the 16/7/18 and if necessary keys are provided so that work can carry on into the evening.

The customer must also ensure that the flooring in the kitchen area of the new extension is cleared of all rubble so as a safe environment for the work to be carried out in is created.

| Hrs/Qty | Service | Rate/Price | Sub Total |
